Best of wishes for a wonderful
birthday - Love All of Us!

A wonderful and special release,
just as you know how much I - etc.
Contention loves you.

"A note on the title."

Arisa, the name of the main character, becomes a pun when used with *randemo*, as in this Japanese title *Nandemo Arisa*. *Nandemo* means 'anything', Arisa, in this context, means 'will be' or 'can be'. Combined together they mean 'anything (Nandemo) goes (Arisa)'.
